- 25.4 The different classes and sub-classes of Community Shares may pay different interest rates, as determined by the Board, from time to time and at such rate as may be determined by the Board in accordance with the applicable law, but not exceeding the minimum rate necessary in the opinion of the Board to obtain and retain the capital required to carry out the objects of the Society.

25.5 Community Shares and any sub-classes of this share shall be of the nominal value of £1.00. The minimum shareholding or minimum shareholding of any sub-classes of this share shall be defined as such number of fully paid Community shares or fully paid shares belonging to any sub-class of Community shares as the Board may determine subject to the Act, or as may be required by a particular offer of Community shares, or any of its sub-classes or, failing such determination or requirement, shall be one Community share or one share of any sub-class Community share. No single Member may purchase or hold Community Shares or any sub-classes of Community shares exceeding £100,000 in value.

Community shares and any sub-class of Community shares shall be paid for in full on allotment.

25.8 If a Member is required to withdraw from membership under these Rules and the right to withdraw Community shares or any sub-class of Community shares has been suspended, then the nominal value of his/her Community share capital or sub-class Share capital shall be converted into loan stock upon such terms as may be agreed between the Board and the Member, or their personal representative, trustee in bankruptcy, or Office Holder provided that such agreement shall require the repayment of the loan within a period not exceeding three years.

- (a) Members must return their share certificates to the society 3 months after providing notice of withdrawal.
- (b) All withdrawals shall be paid in the order in which the notices were received by the Society;
- (c) A Member shall not be entitled to withdraw shares which would leave them with less than the minimum Community or sub-class shareholding;
- (d) The Board may waive the notice required for a withdrawal and may direct payment to be made without notice or on such shorter notice as they consider fit;
- (e) The Board may, at their sole discretion, suspend (or limit) the right to withdraw Community Shares or any sub-class either wholly or partially, and either indefinitely or for a fixed period. The suspension shall extend and apply to all notices of withdrawal which have been received and remain unpaid at the time the Board suspends the right to withdraw. Where the suspension is for a fixed period, such period may be extended from time to time by the Board;
- (f) Decisions to suspend withdrawal of community shares will be made by the Board in consideration of the financial position of the Society. The withdrawal of share capital will be restricted or suspended in (but not limited to) the following instances:
 - (i) If the liabilities of the society exceed its assets, or are in danger of doing so in the next twelve months.
 - (ii) If the level of withdrawal requests exceeds the amount the Directors deem appropriate. In this instance the amount of capital returned per Member will be pro-rated according to the Members' proportional holdings.
 - (iii) If the Society is not generating a trading surplus sufficient to match or exceed the value of the shares requested to be withdrawn and the Society cannot fund the withdrawal through accumulated cash reserves or through the issue of new community shares.

- (g) During any period when the right of withdrawal has been suspended under the provision immediately above, the Community or any sub-class shares of deceased Members may, if the Board agree, be withdrawn by their personal representatives upon giving such notice as the Board may require;
- (h) The amount to be paid to a Member on withdrawal shall be the amount paid up or credited on the shares to be withdrawn, except where the shares are subject to a reduction in their value in accordance with the provisions of these Rules;
- (i) Interest shall be payable on any share in respect of which a notice of repayment has been given until the date of repayment.

25.11 Any Community Shares or sub-class withdrawn in accordance with these Rules shall be cancelled.

25.12 In cases of termination of membership in accordance with Clause 18 of these Rules, if the right to withdraw Community Shares or any sub-class has been suspended, all shares held by the Member shall be surrendered to the Society. Upon such surrender the Board may at their discretion pay to the withdrawing Member the amount paid up or credited on the Community Shares or any sub-class surrendered.

25.13 The Society may deduct such reasonable sum to cover any administrative costs of withdrawal from the monies payable to a Member on the withdrawal of Community Shares or sub-class of these shares held in the Society.

Reduction in Share Values

25.14 If the Society's Auditors (or any independent qualified accountants appointed for this purpose by the Board) certify at any time that the aggregate of the Society's liabilities plus the amount of its issued share capital exceeds its assets, then (unless in the meantime the excess has been removed) the Board may determine that the amount of this excess, or part of it, shall be apportioned among the Members in proportion to (but not beyond) the amount of the nominal value of the shares paid up and held by each Member. This apportionment shall be based on the value of the shares paid up and held by each Member at the close of business on the date of such determination. The value of shares held by each Member shall be reduced accordingly for the purposes of withdrawal of shares, provided that the value of shares held by any Member shall not be reduced below the minimum shareholding as specified in these Rules.

Payment of interest on community shares

- 25.15 The society may use its property and profits only to promote its objects. The society will not pay members any dividend, bonus or other share in profits. However, the Society can pay interest on community shares as part of its operating costs.
- 25.16 The society will not pay a rate of interest that is higher than needed to fund the society's activities. In setting the rate, the Society's Directors will take particular account of the society's community purpose, with the expectation of a social dividend, rather than personal financial reward.
- 25.17 The directors of the society will set the rate of interest in advance of the period for which they will become payable and it will be a variable interest rate.
- 25.18 The board of Directors will make a recommendation to a general meeting of members, on the level of interest to be paid to shareholders or any share issue forthcoming.
- 25.19 The Society may issue some shares as designated for a particular purpose, or at a different time. Those shares may require an interest rate that is different from that for other shares. The directors may also recommend a different interest rate is payable on shares against these different purposes or timescales to reflect differing performance, should this arise.
- 25.20 Payment of interest on community shares is not guaranteed and will be subject to Totnes Community Development Society earning sufficient operating surplus and having sufficient cash reserves.
